Sustainability

We’re on a mission to make every aspect of our business earth-friendly, across products, processes, and packaging. Here are some of our most impactful efforts:

Products & Materials

ECO APPAREL

Our new tees and hoodies feature reclaimed fabric, organic cotton, and sustainable modal. Choosing an Eco Hoodie saves the equivalent of six weeks of showers, while each Eco Tee reclaims approximately six plastic water bottles.

FSC-CERTIFIED PAPER

Almost 100% of the paper used at Lantern Press is FSC-certified. This means it comes from responsibly managed forests that meet environmental, social, and economic standards set by the Forest Stewardship Council® (FSC).

ORGANIC COTTON

Organic uses 85% less water than conventional cotton. It’s grown responsibly, avoiding the use of synthetic fertilizers. We’re proud to use organic cotton for our Totes, Go Bags, and Eco Tees.

Process

GIVE-BACK

Lantern Press is a member of 1% for the Planet®, an organization that drives philanthropic support for the environment. We donate directly to parks with every purchase from our Firelight and Protect Our National Parks collections.

DIRECT-TO-GARMENT PRINTING

This innovative process uses 95% less water, 60% less energy, and generates substantially less chemical waste than traditional methods. Plus, it allows for low minimums and quick turn-around times which reduce wasteful overruns.

PRINT-ON-DEMAND

Most of our products are created when you order them. This means everything we make is going to good use; there is no inventory collecting dust or heading for the trash heap.

Packaging

We’re constantly looking for ways to reduce and improve packaging.

Asking “Is this necessary?” led to the removal of plastic overwrap on our Patches and individual bags for Apparel. The sturdy cardboard of our Giclée Print tube is both reusable and recyclable.

Our Ceramic Ornament gift box is designed as a permanent keepsake holder and uses FSC-certified paper. The shrink wrap on our 1000 Piece Puzzles is made from consumer-recyclable polyolefin developed under the How2Recycle® program guidelines. Plus, we’re progressively updating our cello bags to 100% recycled materials. You can now find these on our Art Prints and the majority of our Wood and Metal Signs.

Protect our National Parks

This ready-made collection honors our 63 national parks: places of solace and wonder that have never been more resonant. Inspire your customers to keep these treasures close and support them at the same time. By partnering with 1% for the Planet, Lantern Press proudly donates 1% of sales from this collection to national parks.

Currently, only 3% of philanthropic giving goes to the environment. Our planet needs more support and the 1% for the Planet network is on a mission to change that.

We have over 50,000 images, including art for your location. Discover some of our favorites on the following pages.

DON'T SEE YOUR LOCATION IN OUR CATALOG? WE'LL CREATE IT.
Work with our in-house illustrators to create custom artwork that captures the spirit and beauty of your location.

SELECT IMAGES

We’ve organized these images by theme: Coastal, Flora & Fauna, Get Outside, Regional, and Winter. In many cases, you’ll find the same image two ways: with a name drop, and a sentiment. Name drops can be customized with your location ([see page 4](#), option B). Sentiments are ready-to-go and have broad appeal.

The icons at right identify full images and contours. We’ve also marked which images are available to name drop, which are great for puzzles, and which are curated. This is only a selection of our full catalog; we have over 50,000 images and are always creating new artwork. Visit wholesale.lanternpress.com to see more.

FAQs

What can I do with artwork? Can I name drop it? Can I put it on any product I want?

We offer both **customizable** and **ready-made** options.

Customizable products can be name dropped, and feature either full image or contour artwork. Some artwork is optimized by product and may have limited products or colors available. Most of our catalog is customizable.

The Protect Our National Parks, Firelight, and Celebrate the Place collections are examples of **ready-made**. They have unique artwork for specific products and cannot be name dropped or altered. These products are the easiest to order—just choose the finished product you like and go.

Do you have my location?

Yes, we do have art for your location—or we can make it for you! Our extensive catalog offers images from across North America, including specific locations as well as broad appeal images which are perfect for name dropping. If your location isn't represented, request a name drop or custom art from us in one of our core art styles.

How do I customize art?

Pages 4-5 describe our art customization process. Our team and sales reps can guide you in creating name drops and new custom imagery by letting you know what you need to get started and an overview of the timeline.

Can I print my own photography on Lantern Press products?

We can print photography you provide, if you own the copyright to the photo and sign a release. Please provide a high-resolution file (300 dpi at least 12" wide) in a .PSD or .PDF format. The minimum order is \$500/\$650 CAD in product for each photo requested.

What are your top-selling products?

Badge Magnets, Postcards, Die-Cut Stickers, 1000 Piece Puzzles, Art Prints, and Coasters are among our customers' favorites.

How do I merchandise your product?

You have a variety of display options, shown on pages 60-63, and each is free with a minimum product order. We are experts in knowing how many images and which products are best for a given space, so reach out if you'd like some merchandising guidance. Don't have room for a display? We have creative ideas for pegwalls, tables, and other faces too!

How are your products made?

Most of our products are print on demand and created especially for your order. We are proud to manufacture and print many products on-site in our Seattle facility, alongside select domestic partners. Some of our ready-made products are designed in Seattle and manufactured overseas.

How do I open an account?

Please contact support@lanternpress.com and we will assist in getting you set up.

Can I order online?

Yes! Wholesale.lanternpress.com features a portal for you to place and track orders. We're happy to help if you have questions while shopping online.

How does Lantern Press ship?

We offer a flat 10% shipping rate for the mainland US. We can also use clients' preferred shipping methods. For shipping to other locations, please contact your Sales Manager for more information.
