

Name Drops

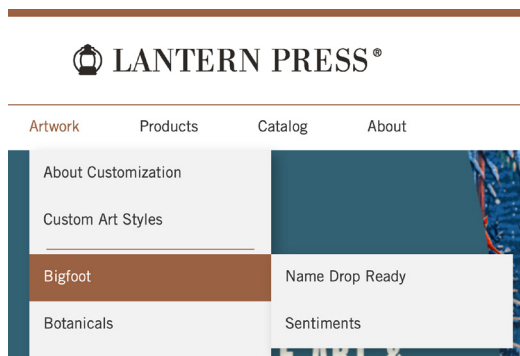

AT LANTERN PRESS

You can add your location or logo to almost all existing Lantern Press images. Give your customers a keepsake unique to their experience with you for as little as \$100 in product per image.

Here's how it works:

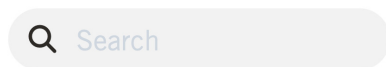

1. Find Artwork

Our customer portal now has an easy way to find name drop-eligible images in our most popular styles! Click the “Artwork” menu, and you’ll see the categories. They’re divided into “Name Drop Ready” and/or “Sentiments.”

Tip: Sentiments are set phrases and can't be modified.

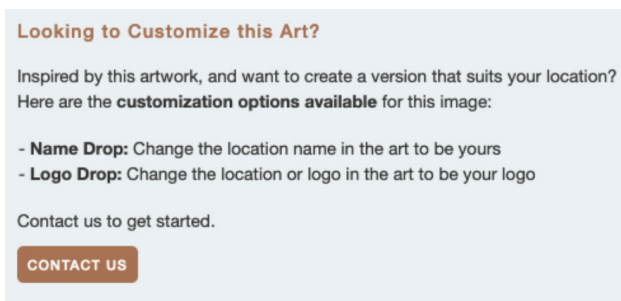

If you don't find what you need in that menu, use the search bar to locate art by theme, style, location, UID number, or title.

Tip: Your name drop may already exist! Try searching the theme or title of your favorite image + your location. For example, “Embrace the Elements Utah” or “Hiking Utah.”

2. Request Your Name Drop

When you find an image you like and click into it, you'll see an information box on the right-hand side. Here, you can confirm that the image is available for customization and make your request.

CONTACT US

When you click the “Contact Us” button, you’ll be prompted to enter details like:

- Do you want a full image, contour, or both?
- Would you like a name drop or logo drop?
- Your name drop, with exact spelling and punctuation
- Your contact information

3. Approve Your Art and Order Products

After you submit, our team reviews your request within 48 hours to confirm we have all the information we need. If everything looks good, your request is put in our art creation queue. Timelines range from 2-3 weeks during our slow season, up to 4 weeks during our busy summer season.

You’ll be notified by email when a proof is ready for your review. After you approve, your image will be ready to order.

Please note – you will not be able to place an order with your name drop until you receive confirmation from us that the artwork is complete.

FAQs

What if I have questions?

You are welcome to contact us anytime at support@lanternpress.com. Your local representative can also guide you in this process. Not sure who they are? Feel free to ask us to find a sales rep close to you.

How long does it take?

Expect between 2-4 weeks, depending on our volume of current requests. We are happy to provide an estimate of our current timelines.

Can I make other changes?

If you are interested in changing artwork beyond adding your name drop or logo, please reach out to us to discuss our custom art options.

Will I see a proof to approve the name drop?

We do send a proof for approval the first time we name drop a piece of artwork for you.

If you have previously approved a name drop on a full image, we may not send a proof when you request a contour of that same image. If you’d like to see a contour proof, please let us know when you submit the request.
